Technologischer Fortschritt in der Isolierstoffprüftechnik im Spannungsfeld der Standardisierung

Tuesday, 18. September 2018, 15:00

Location: AIT Austrian Institute of Technology, Giefinggasse 2

Die Prüfnormen hinken der Zeit nach; der technische Fortschritt in der Elektrotechnik und Elektronik, besonders durch die Digitalisierung kann den Wandel nicht Schritt halten kann.

Eine intensive Zusammenarbeit mit den Gremien und Fachexperten der internationalen Standard Komitees wird dadurch unumgänglich.

1st Workshop on Proximity Perception in Robotics

From Monday, 1. October 2018 - 09:00 To Monday, 22. October 2018 - 17:00

Location: IROS 2018, Municipal Conference Center, Madrid, Spain

This workshop aims to offer a point of convergence for the different streams pertaining to

Proximity Perception, which are currently active in the robotics community. We expect that Proximity Perception technologies will play an essential role for service and industrial robotics as well as for human-robot collaboration and compliant robotics applications in the near future.
