

Event Update

DEAR IEEE AUSTRIA SECTION MEMBERS,

It was very nice meeting so many of you during our [IEEE Spring Festival of IEEE Austria 2023](#) earlier this year in May 2023! The event was a great success with a lot of interesting talks during a festive buffet in the Lusthaus in the Vienna Prater.

Besides that, it was also great visiting the IEEE Office near the Praterstern. Thanks to the IEEE staff that shortly introduced there activities.

Many thanks to all participants!

IEEE AUSTRIA SECTION VACANT OFFICER POSITIONS

The following section positions are currently vacant:

1. Public Relation Officer
2. Diversity and Inclusion Officer

Interested volunteers are being asked to contact the [section's chair](#) about those vacant positions or potential other ways to get engaged in the section's activities!.

IEEE AUSTRIA SECTION IS SUPPORTING STUDENT ACTIVITIES

The IEEE Austria Section is supporting students in enhancing their career and setup innovative events together with their study colleagues by offering two award programmes specifically designed for them.

The **IEEE Austria Student Mobility and Conference Grant** support section student members to participate at conferences, workshops and other educational activities in the fields of IEEE and related. The goal is to assist applicants to advance their education, make international contacts and gain additional experience.

Deadlines for submissions are 1st of February, 1st of June and 1st of September each year.

The **IEEE Austria Student Branch Award** encourages innovative new concepts applied by the Student Branches and activities or events creating positive impact for students. If students created some cool new events or did something special they can contact the local student branch or the student branch coordinator . They will be happy to integrate their efforts and apply in one of the categories of the Student Branch Award.

Deadline for submission is the 15th of September.

AUSTROCHIP 2023 - 31TH AUSTRIAN WORKSHOP ON MICROELECTRONICS

Austrochip 2023 - 31th Austrian Workshop on Microelectronics
From Wednesday, 20. September 2023
To Thursday, 21. September 2023
Location: TU Graz, Campus Inffeldgasse, Inffeldgasse 25/D,
Graz, Austria

Austrochip is an annual meeting and platform to present the latest activities in the field of microelectronics and integrated circuits in Austria and neighboring countries. The workshop is a forum for discussion and contact between academia and industry. Austrochip deals with the design of analog, digital, and mixed-signal integrated circuits and systems.

2023 IEEE SENSORS

2023 IEEE SENSORS

From Sunday, 29. October 2023

To Wednesday, 1. November 2023

Location: Hilton Vienna Park, Am Stadtpark 1, 1030 Vienna,
Austria

The IEEE Sensors Conference is a forum for presentation, discussion, and exchange of state of the art information including the latest research and development in sensors and their related fields. It brings together researchers, developers, and practitioners from diverse fields including international scientists and engineers from academia, research institutes, and companies to present and discuss the latest results in the general field of sensors.
