

Event Update

DEAR IEEE AUSTRIA SECTION MEMBERS,

a successful year with a lot of activities in the section, the chapters, the affinity groups, and the student branches ends. Many thanks to all involved persons for their great and hard work. It's now time to step back a bit and to relax.

Happy Holiday Season and a successful New Year 2024 to all of you!

IEEE TECHNOLOGY CENTER FOR CLIMATE (ITCC)

ITCC is a brand new initiative from IEEE that supports the collaboration with leading institutions and experts to advance pragmatic technical approaches and solutions to climate change. This initiative is under the lead of the IEEE Europe office (i.e., by Clara Neppel, Head of ITCC) in Vienna, Austria.

Further details are provided at the related [ITCC](#) website.

IEEE AUSTRIA SECTION IS SUPPORTING STUDENT ACTIVITIES

The IEEE Austria Section is supporting students in enhancing their career and setup innovative events together with their study colleagues by offering two award programmes specifically designed for them.

The **IEEE Austria Student Mobility and Conference Grant** support section student members to participate at conferences, workshops and other educational activities in the fields of IEEE and related. The goal is to assist applicants to advance their education, make international contacts and gain additional experience.

Deadlines for submissions are 1st of February, 1st of June and 1st of September each year.

The **IEEE Austria Student Branch Award** encourages innovative new concepts applied by the Student Branches and activities or events creating positive impact for students. If students created some cool new events or did something special they can contact the local student branch or the student branch coordinator . They will be happy to integrate their efforts and apply in one of the categories of the Student Branch Award.

Deadline for submission is the 15th of September.
